Mental health day there are 200 sped students and having a psych here 5 days a week would be beneficial for the whole staff

Funding the arts is very important and we are funding supplies that are needed by the teacher.

Total = \$ 38,480.07 if all items were funded.

Social studies can use the AP books

CCT needs \$ for competition. Perkins money goes to equipment not registration for competitions.

CCT can make do with less money.

Well-functioning electives are a huge draw to get students in to TJ.
