

## **ANNUAL FAMILY UPDATE**

**Annual Family Update is the process by which families verify their student's enrollment information for the upcoming school year. This process is done online and helps make your school registration, and our families experience, a simple one.**

**Please make sure that your Parent Portal account is working. If you do not have a Parent Portal account you will need to create one in order to register online. To create an account go to <https://myportal.dpsk12.org> and click "Create an Account"**

**Parents only need to know their child's student ID and DOB. Then they choose which guardian they are, and set up their username and password. A valid email address is still required.**

**Annual Family Update will open**

**July 15<sup>th</sup> –August 30**
