### About Denver Public Schools:

The Custodial Operations Division is an essential component in supporting the educational mission of DPS. Our team provides the essential elements necessary to maintain a safe, clean, and functional environment for every student, staff, and community member. We demonstrate and seek a wide variety of skilled individuals with leadership, organizational, problem solving, mechanical, and detail orientated characteristics. The potential for career advancement within our division is ample; we provide and support training in all aspects of operations. Custodial Operation's strives to develop our employees to become next generation managers and leaders. Join our team and become a member of a respected support division which prides itself in quality and commitment.

Denver Public Schools is committed to meeting the educational needs of every student with great schools in every neighborhood. Our goal is to provide every child in Denver with rigorous, enriching educational opportunities from preschool through high school graduation. DPS is comprised of nearly 200 schools including traditional, magnet, charter and alternative pathways schools, with an enrollment of more than 90,000 students.

Under the leadership of Superintendent Dr. Alex Marrero and guided by the tenets of The Denver Plan, DPS has become the fastest-growing school district in the country in terms of enrollment and the fastest-growing large school district in the state in terms of student academic growth.
